

ITOBA Stallion Seasons Auction Stakes Bonus Program

Any Thoroughbred stallion may be represented in the ITOBA Stallion Seasons Auction by the donation of one or more seasons to that stallion. To become an eligible ITOBA Stallion Seasons Auction Stakes Bonus Program sire, at least one donated LFG (return privilege) season for that year must sell for a minimum of 1/3 of the stallion's advertised fee, OR one donated NG (no return privilege) season for that year must sell for a minimum of 1/4 of the stallion's advertised fee. This requirement may be accomplished during any ITOBA-sponsored Stallion Seasons Auction.

Any registered Indiana bred foal by an eligible ITOBA Stallion Seasons Auction Stakes Bonus Program sire may be nominated to the ITOBA Stallion Seasons Auction Stakes Bonus Program. Nomination requires the submission of a one-time-only nomination fee of EITHER \$150.00 by August 31st of their weanling year, OR \$250 from September 1st of their weanling year through January 1st of their yearling year, OR \$500 from January 2nd of their yearling year through January 1st of their 2 year-old year. No supplemental nominations will be accepted after January 1st of an eligible foal's 2 year-old year. Once nominated, a foal remains eligible for the Program throughout its entire racing career.

All funds received from the sale of donated stallion seasons will be added to all funds received from foal nominations to the program. A yet-to-be-determined administration cost will be deducted from this total amount. All remaining money will be divided equally among all Indiana bred stakes races and utilized as an award supplement. The award supplement will be payable only to the connections of ITOBA Stallion Seasons Auction Stakes Bonus Program nominated horses, and will be distributed as follows:

- The owner of an ITOBA Stallion Seasons Auction Stakes Bonus Program nominated horse who wins any Indiana bred stakes race will receive 60% of the award supplement provided for that race.
- The owner of an ITOBA Stallion Seasons Auction Stakes Bonus Program nominated horse who places in any Indiana bred stakes race will receive 20% of the award supplement provided for that race.
- The owner of an ITOBA Stallion Seasons Auction Stakes Bonus Program nominated horse who shows in any Indiana bred stakes race will receive 10% of the award supplement provided for that race.
- The donor of the season(s) to the stallion who sires an ITOBA Stallion Seasons Auction Stakes Bonus Program nominated winner of any Indiana bred stakes race will receive 10% of the award supplement provided for that race.

Any ITOBA Stallion Seasons Auction Stakes Bonus Program award supplement money that is not dispersed by the end of the calendar year will be rolled over and added to the following year's award supplement fund.
